PROFILE

Master Excellence student in SIIA (*Information Systems & Artificial Intelligence*) at the Polydisciplinary Faculty of Khouribga (FPK). Passionate about AI, software engineering, and intelligent systems. Seeking an internship to apply technical skills in AI and full-stack development.

EXPERIENCE

Web Development Intern — OCP Phosboucraa — 2 months
Laravel · Tailwind CSS · HTML

- Developed an internal web app for managing medical appointments & doctor accounts.
- Led full project lifecycle: UML design → development → production deployment.
- Collaborated with end-users to gather requirements in a structured corporate environment.

PROJECTS

RomeAI — Campus Room Manager
React Native (Expo) · Flask · SQLAlchemy · SQLite · Ngrok
University room & session management: mobile app + Flask REST API for bookings, scheduling and attendance.

SIEM AI Dashboard
FastAPI · React · Kafka · Ollama LLM · Wazuh · SQLite
Real-time SIEM dashboard classifying Wazuh alerts as True/False Positives via Kafka & local LLMs.

Oracle Database Intelligence System
Oracle DB · PL/SQL · Python · Streamlit
3-tier university management with PL/SQL triggers, stored procedures & role-based dashboards.

Optimal K-Clustering Methodology
Python · Scikit-learn · Matplotlib
Unsupervised ML project determining optimal clusters via Geometric, Statistical & Likelihood criteria.

AI-Powered Attendance Portal
Python · Flask · YOLOv8 · ArcFace · FAISS
Automated attendance using YOLOv8 face detection and ArcFace for high-accuracy recognition.

NLP Sentiment Analysis App
Python · DistilRoBERTa · Streamlit
Fine-tuned DistilRoBERTa model deployed via Streamlit for instant emotional tone analysis.

EDUCATION

Master Excellence in SIIA — In Progress
FP Khouribga (FPK)

Bachelor's Excellence in SIIA — Graduated
FP Khouribga (FPK)

BTS in DSI — Honors: Very Good
Information Systems Dev.

SKILLS

Programming
Python · JavaScript · Java · C · VB.NET

Web & Backend
React · React Native · Flask · FastAPI · Laravel · Tailwind CSS

Databases
MySQL · PostgreSQL · SQLite · Oracle SQL · HiveQL · SQL Server

AI & Data Science
Machine Learning · Deep Learning · NLP · Transformers · YOLOv8 · OpenCV · TensorFlow · Scikit-learn · Pandas · NumPy

Big Data
Kafka · Spark · Hadoop · Hive · Wazuh

Methods & Tools
UML · Merise · Scrum · Git · Docker

LANGUAGES

Arabic — Native
French — Intermediate
English — Intermediate

INTERESTS

Artificial Intelligence · Data Science · Cybersecurity · Open Source
